Withdrawing Living Will. Early on we agreed that you would have my original living will transferred from Prescott to Green Valley because I wanted to withdraw it. Has that been done and may I come to the clinic and get it? If you don't have it would you please get it and send it to me?

Thank you.

Dear Donna Dunklin LCSW.

I went to release of information at the Tucson VA today to get my living will. They told me I had to make an appointment with the social worker in Green Valley to get my living will out of the system. If that is agreeable with you, just tell me when I can see you. If you have any questions please contact Rosemary Hernandez at Release of Information.

Thank you.

Dear Mr. O'Connell,
 I am the social worker at the Green Valley VA Clinic and am writing to respond regarding your living will. It is my understanding that you gave your living will to the Prescott Clinic. We do not have your original living will here and there is no record of

a living will in your chart. We do not keep documents at the clinic. When we receive a document we note it in the electronic chart and send it to Medical Records in Tucson for scanning. You might try the Prescott Clinic or their main office which I believe is in Phoenix.

Sincerely,
Donna Dunklin LCSW

1) your medicine is due for release; you can go to main VA since you do not have a phone to get it.

2) For the last time-social work has addressed the advance directive issue. I do not have a copy-you can go to the Release of Information office at the main VA and they may have access to it.

Mr. Oconnel

Your medication was sent out to you, you will receive it in the mail.

ANP Schmeling does not have your "will" she does not keep any patient records in her office. Please refrain from continuing to ask her for this. You can contact the main facility at (520)792-1450 if you have questions regarding your "will".

I am also asking that you use this service to ask general question only and if you need to schedule an appointment to see ANP Schmeling you can call our clinic at (520)399-2291.

Thank you and have a good day

We have answered your questions many times-my MSA, the pharmacist, social worker and myself. We cannot continue to write the same thing over and over. We do not have the time to keep repeating ourselves as we have many other patients. We have answered your medication issue; they were sent out. If you have not received them, then you need to go to main va to the pharmacist since you do not have a phone. You are misusing the system because you keep writing the same thing over even though we have answered your questions. and do not use outlook again-it is not a secure site and I will not respond back in outlook.

I do not understand how your refusal to answer obvious questions such as (1) Why was my medicine stopped?, and (2) Have my medicine prescriptions been renewed?, becomes my misuse of secure messaging. Your threat of suspending me from secure messaging is serious. I'm not sure what to do.

Mr, O'Connell,

I am sorry, but you received incorrect information at the Tucson VA. I spoke directly with the Director of Medical Records who told me that they do not keep any hard copy records at all. They scan everything that they receive and put it in your electronic record. They destroy all hard copies after 90 days. I repeat there is NO living will in your electronic chart here at SAVAHCS, which indicates that they never received a paper copy of a Living Will for you. If you are concerned about Prescott having your Living Will in their chart, you need to contact them.

Sincerely,
Donna Dunklin, LCSW

I received your letter dated May 13, 2013 (I received two copies, once on May 15(?) and once on May 17.) and quote it below for reference:

"Dear Mr. O'Connell,

When you opted in to the VA's Secure Messaging program through your My HealtheVet account, you agreed to specific terms and conditions for the use of that program (see attached). The purpose of this letter is to notify you in writing that you have violated those terms and conditions by sending an excessive number of messages. If your inappropriate use of the VA's Secure Messaging program does not cease, actions may be taken to block you from the program. If you continue to demonstrate inappropriate use of Secure Messaging, a request to block your usage will be presented to the Southern Arizona VA Health Care System (SAVAHCS) MyHealtheVet Workgroup. If the workgroup makes a recommendation in favor of blocking your use, you will be notified by letter, which will include information on how you can appeal the decision.

We sincerely hope you will make the choice to abide by the rules of Secure Messaging so that you can continue to enjoy the convenience of the program. If you have any questions about the content of this letter, please contact me at (520) 792-1450 ext. 6889.

The Honorable John McCain
United States Senator
407 West Congress Street, Suite 103
Tucson, AZ 85701
Attn: Suzanne Hernandez

Dear Senator McCain:

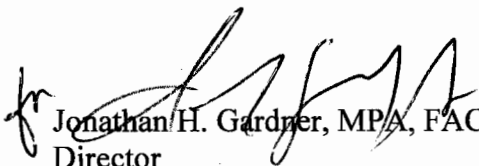

This is in response to your letter dated June 19, 2013, regarding your constituent, Mr. Anthony OConnell and his concerns at the Green Valley Community Based Outpatient Clinic (CBOC) of the Southern Arizona VA Health Care System (SAVAHCS). I requested that Mr. John Altevers, Administrative Officer, Community Clinics Care Line, address his concerns.

Mr. OConnell expressed several concerns in his letter to you but specifically asked questions about his prescription renewals, his treatment, and obtaining his living will. Mr. OConnell's current medications were not stopped and were refilled promptly at his request since October 2012. Many medications are renewed annually. In order for Mr. OConnell to obtain further medication refills, he can schedule an appointment with his provider at the Green Valley CBOC by calling (520) 399-2291. If Mr. OConnell needs refills prior to October 2013; he should contact the pharmacy refill line, at (520) 470-8262 and select option four. Mr. OConnell also contacted his provider several times asking that his living will be returned to him. He was advised each time to contact the Release of Information (ROI) office located at the main VA hospital to obtain his living will, as it is not available at the clinic. Mr. OConnell can reach the ROI office at (520) 792-1450, extension 6923.

These are standard VA procedures and all Veterans are provided the same guidance to receive medication refills and to obtain copies of their computerized medical information.

The SAVAHCS strives to provide quality and compassionate care to all of our Veterans. We are very concerned with patient care and the satisfaction of the Veterans we serve. If you have any questions regarding this letter, please contact Mr. John Altevers at (520) 792-1450, extension 4042.

I will not answer in Outlook as you should not be using it.
I refilled your meds but with just one refill as I will be retiring November 27. When you are on your last refill, you will need to make an appointment with your new provider.

If you did not receive the medications that went out then you will need to drive to the main VA and talk to pharmacy since you do not have a phone. They can trace them and provide a refill if they were lost.

Regarding cardiology, you requested the referral since you were having chest pain. Therefore they ordered a stress test and changed your cholesterol medication since your cholesterol was not at the goal they wished. If you have any questions regarding any of this, I suggest you drive to the main VA and make a followup appointment with cardiology to discuss since you do not have a phone and cannot call them.

To change your living will, make an appointment with the social worker to get a new one with your current wishes on file.

Dear Mr. O'Connell:

It is important that this facility is a safe environment for all patients and staff. Safe health care is based on mutual respect between provider and patient. We take disrespectful behavior and unauthorized use of internal communication systems seriously at the Southern Arizona VA Health Care System, whether towards your provider, other VA staff members or fellow patients.

It was reported to the Disruptive Behavior Committee that you are abusing MyHealthVet secure messaging and staff telephone voice mail. It was also reported to the committee that you are inappropriately using internal Outlook messaging to address clinical concerns. Dear recipients:

On November 14, 2013, I received a phone call from someone in the VA that said Cardiology had sent two letters to Anthony O'Connell. Would you please send to me and Mr. Anthony O'Connell copies of these two letters?

I am Anthony O'Connell's Health Care Agent in his Power of Attorney for Health Care and Living Will dated January 1, 2009. He tells me that he has rescinded this document. He has repeatedly asked that this document be removed from the VA records, and has done all the procedures he has been instructed to do to make this happen, such as going to the Release of Information, and trying to make an appointment with the social worker. Please release this document from the VA records now and send verification to me and Anthony O'Connell that it has been done.

Please adhere to my September 18, 2013, letter to the Director that said, in part: "If you contact me again concerning Anthony O'Connell please do it by letter with a copy to Anthony O'Connell, and not by telephone."

Thank you,

Kate Simmons
